Maybe even better than free.

It is also allowed to link to the download page from websites and communities. You can upload any type of file (movies, music, documents, images, zip files and more). filehosting provides an easy possibility for you to send large files to your friends. Files can be downloaded from any computer from our high speed servers. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer orphone and our servers, then from our servers to your friends device. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventuallycosting you money in data storage fees. You decide who you want to share your files with. Any file in any format can be uploaded and downloaded for free.Using file, you can circumvent those limits without paying to upgrade your team chat service. Keep your files private, or send your download links only tofriends or family. We have no file size limit. Simply upload your file and share the link. Why pay storage fees for a file that you just wanted to send to a friendor colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. File is free to use with no gotchas and nohidden fees. There are no restrictions on the number of times a file can be downloaded. The cost of that data transfer is covered by your internet service or thedata plan on your phone. Alternatively you can choose to share your download links on blogs, forums and social networking sites. So try our free and simplefilehosting service now. Our service is completely free for everyone. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver. Unfortunately, we can't make that part free. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Just upload the fileyou want to share with your friends and we send you a download link to your file. You can give this download link to your friends by mail or instant messenger.You don't need any special software installed to be able to download your files. No account or credit card is required to get started. If only we could, we surely would! On the other hand, using file can actually save you money.
