Using file, you can circumvent those limits without paying to upgrade your team chat service. No account or credit card is required to get started. Any file inany format can be uploaded and downloaded for free. Unfortunately, we can't make that part free. You don't need any special software installed to be able to download your files. So try our free and simple filehosting service now. Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Files can be downloaded from any computer from our high speed servers. Just upload the file you want to share with your friends and we send you a download link to your file. File is free to use with no gotchas and no hidden fees. We have no file size limit. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. filehosting provides an easy possibility for you to send large files to your friends. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer orphone and our servers, then from our servers to your friends device. It is also allowed to link to the download page from websites and communities. You canupload any type of file (movies, music, documents, images, zip files and more). Alternatively you can choose to share your download links on blogs, forunsand social networking sites. Simply upload your file and share the link. Keep your files private, or send your download links only to friends or family. There areno restrictions on the number of times a file can be downloaded. You decide who you want to share your files with. If only we could, we surely
