eBook includes PDF, ePub and Kindle version

The end time must be reset if the programme, additional options or the current time is changed.

If there is a small load of lightly soiled washing, the programme may end well before the selected end time.

If there is a large load of heavily soiled washing, the programme may end several minutes after the selected end time.

Other settings can be selected by pressing the **Menu** button; the same settings can be changed by pressing the **Change** button.

Wash

You can select among several wash options:

These are:

- "Normal Wash" Usual wash duration.
- "Quick Wash" Reduced wash time for lightly soiled washing.
- "Intensive Wash" Extended wash time for heavily soiled washing.

Other settings can be selected by pressing the **Menu** button; the same settings can be changed by pressing the **Change** button.

If "Intensive Wash: on" or "Quick Wash: on" was selected, symbol "S" or "Q" is permanently displayed when the menu is left.

Other settings can be selected by pressing the **Menu** button; the same settings can be changed by pressing the **Change** button.

Press the **Start/Pause** button. The programme starts. The indicator light is on.

The individual programme steps are indicated in the display field.

Press the **Start/Pause** button. The delayed start is activated. "Time delay" is indicated in the display field.

Press the **Menu** button until "Normal Wash" is displayed. The "S" symbol flashes. The **Start/Pause** indicator light flashes (red).

The menu is left if a button is not pressed within 10 seconds. Changed settings are retained.

Press **Change** button until the required wash option is displayed.
