Title ET200S 2AI, 2 Analogue Input, Current, 13 Bit Standard 2wire, terminal type A or B required
This agreement applies as between you, the User of this Web Site or Purchaser and Parmley Graham Limited the owners of this Web Site. Your agreement to comply with and be bound by these Terms and Conditions is deemed to occur upon your first use of the Web Site. If you do not agree to be bound by these Terms and Conditions, you should stop using the Web Site immediately. No part of this Web Site is intended to constitute a contractual offer capable of acceptance. The Purchasers order constitutes a contractual offer and our acceptance of that offer is deemed to occur upon our sending an email to the Purchaser indicating that the order has been accepted for processing. Unless expressly agreed by us in writing, any other terms or conditions, including any which may be contained in your orders, are excluded. Unless expressly incorporated in our quotation or tender, all descriptions, illustrations, drawings, dimensions, weights, measures, specifications, standards of performance or other descriptive matter of precontractual statement are approximate only and shall not form part of the contract. Parmley Graham Limited is not responsible for these charges and we undertake to make no calculations or estimates in this regard. If a Purchaser is buying internationally, they are advised to contact their local customs authorities for further details on costs and procedures. The Purchaser of the Goods will also be the importer of record and as such should ensure that the purchase is in full compliance with the laws of the country into which the Goods are being imported. Please be aware that Goods may be inspected on arrival at port for customs purposes and Parmley Graham Limited gives no guarantee that the packaging of the Goods will be free of signs of tampering.

During our contract review we are legally obliged to take into account any Export Restrictions, Sanctions or Embargoes in force at the time from the UK Government, European Union or UN US export regulations may also apply to some products and such restrictions may prevent supply of the goods. Should an Export License be required, or additional documentation including Certificates of Origin, it may be necessary to apply additional costs. By continuing to use this Web Site you represent and warrant that Your creation of an Account is further affirmation of your representation and warranty. Parmley Graham Limited accepts no liability for any losses or damages incurred as a result of your Account details being shared by you. If you use a shared computer, it is recommended that you do not save your Account details in your internet browser. If you have reason to believe that your Account details have been obtained by another without consent, you should contact Parmley Graham Limited immediately to suspend your Account and cancel any unauthorised purchases that may be pending. Please be aware that purchases can only be cancelled until they are dispatched. In the event that an unauthorised purchase is dispatched prior to your notifying us of the unauthorised nature of the purchase, Parmley Graham Limited accepts no liability or responsibility and you should

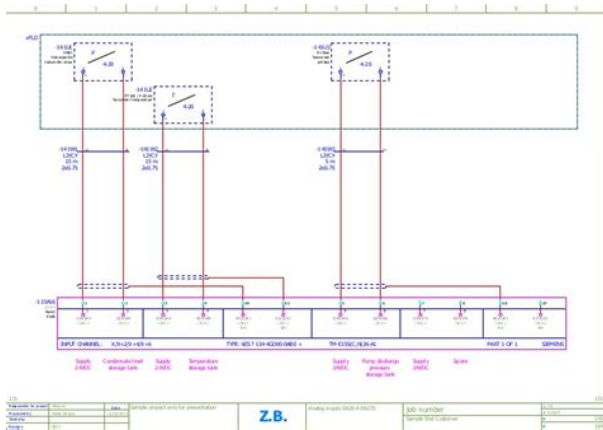

make contact with the Carrier detailed in the Purchase Information. We shall be entitled to charge interest on overdue accounts at the rate of 1.5% per month. b Where the contract is to be or may be fulfilled in separate installments deliveries or parts, payment for each such installment, delivery or part shall be made as if the same constituted a separate contract. We reserve the right to choose the method of transport, to charge for deliveries, and charge you with manufacturers carriage charges for special items.

<https://skazkina.com/ru/bose-lifestyle-38-installation-manual>

Written notice of any non delivery must be received at our branch within seven days after the date of invoice. Time is of the essence of this clause. Our liability in respect of any claim accepted under this clause is limited to making up the shortage or replacing any goods proven to have been damaged or lost in transit to the point of delivery, and we accept no liability for any loss or damage suffered by you whether direct or consequential and howsoever arising. Stock indications are provided on the Web Site; however these may not take into account sales that have taken place during your visit to the web site. If the customer fails for whatever reason to take delivery of the goods on the due date the Company will be entitled to store the goods and then risk in the goods will pass to the customer, delivery will be deemed to have taken place and the customer will pay all costs and expenses including storage and insurance charges arising from its failure. You will store the goods in such a way that they are readily identifiable as our property, but you may, as trustees for us, sell them to a third party in the normal course of your business. Upon any sale by you of the goods either alone or with other items all rights which you have against the buyer shall automatically vest in us. We shall be entitled immediately after giving notice of our intention to repossess, to enter upon any premises with such transport as may be necessary and repossess any goods to which we have title under this clause. We cannot accept any responsibility either in respect of the installation of any goods or as to the ultimate performance of any product in which the goods may be installed. We shall in no way be liable for any direct or consequential damage, loss or expense arising from any defect or inefficiency caused by the manner in which the goods are used. Accordingly, we shall pass on to you the benefit of the warranty, if any, given by the manufacturer of the goods.

<http://aldercom.com/images/canon-600d-video-manual.pdf>

Our liability under this clause shall be in lieu of any warranty or condition implied by law as to the quality or fitness for any particular purpose of the goods, and we shall not be under any liability, whether in contract, tort or otherwise, in respect of any defects in goods delivered or for any injury, damage or loss resulting from such defects or from anything done or omitted in connection with the goods or from any work done in connection therewith. All goods returned must be securely packed and consigned carriage paid. In all cases we reserve the right to make a handling charge, and the issue of our goods received note will not bind us to issue any credit in respect of the goods. The information is provided by Parmley Graham Limited and whilst we endeavour to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk. However, Parmley Graham Limited takes no responsibility for and will not be liable for the website being temporarily unavailable due to technical issues beyond our control. For the purposes of this Privacy Policy, references to “we”, “us” or “the organisation” shall refer to Parmley Graham Limited. The organisation is the data controller of your personal data and is responsible for complying with data protection laws. The organisation is committed to being transparent about how it collects and uses that data and to meeting its data protection obligations. This may include There are a number of other reasons we use your personal data, as explained in the list below. Where we list legitimate interests as a reason, we also describe below what we believe these legitimate interests are.

<https://www.centrumarkeren.nl/images/canon-5dm2-manual.pdf>

We will usually only ask for your consent when providing marketing information to you, including information about other products and services. This will be made clear when you provide your

personal information. If we ask for your consent we will explain why it is necessary. We share only the personal information they need to perform their specific services and they may only use your data for the reasons we've described. We have internal policies and controls in place to try to ensure that your data is not lost, accidentally destroyed, misused or disclosed, and is not accessed except by its employees in the performance of their duties. Please keep us informed if your personal information changes during your working relationship with us. However, if you do not believe this is the case, please contact us by using the details shown in your documentation and you can ask us to update or amend it. However, this will need to be balanced against other factors, for example according to the type of personal information we hold about you and why we have collected it, there may be some legal and regulatory obligations which mean we cannot comply with your request. Once transferred, the other party will be responsible for looking after your personal information. Please see the Marketing section at the end of this page for more information. Where we do this, you have the right to withdraw your consent to further use of your personal information. Or go online to opens in a new window; please note we cant be responsible for the content of external websites. Siemens 6es7134 4gd00 0ab0 refurbished and repair service. The notices referring to your personal safety are highlighted in the manual by a safety alertsymbol, notices referring only to property damage have no safety alert symbol. These notices shown below aregraded according to the degree of danger.If more than one degree of danger is present, the warning notice representing the highest degree of danger willbe used. A notice warning of injury to persons with a safety alert symbol may also include a warning relating toproperty damage. Within the context of the safety notesin this

documentation qualified persons are defined as persons who are authorized to commission, ground and label devices, systems and circuits in accordance with established safety practices and standards. Note the following This device may only be used for the applications described in the catalog or the technical description and only in connection with devices or components from other manufacturers which have been approved or recommended by Siemens. Correct, reliable operation of the product requires proper transport, storage, positioning and assembly as well as careful operation and maintenance. All names identified by are registered trademarks of the Siemens AG. The remaining trademarks in this publication may be trademarks whose use by third parties for their own purposes could violate the rights of the owner. We have reviewed the contents of this publication to ensure consistency with the hardware and software described. Since variance cannot be precluded entirely, we cannot guarantee full consistency.

However, the information in this publication is reviewed regularly and any necessary corrections are included in subsequent editions. The information in this document along with the operating instructions enables you to commission the ET 200S. To understand these operating instructions you should have general knowledge of automation engineering. This manual applies to this ET 200S module. It describes the components that are valid at the time of publication. Thanks to the fact that it is low in contaminants, this ET 200S module is recyclable. For environmentally compliant recycling and disposal of your electronic waste, please contact a company certified for the disposal of electronic waste. If you have any questions relating to the products described in these operating instructions, and do not find the answers in this document, please contact your local Siemens representative. There you will find Our Newsletter, which constantly provides you with the latest information about your products. The bulletin board, a worldwide knowledge exchange for users and experts. Information about on-site services, repairs, spare parts. I believe the download here is faster, and there are no ads at all. Nevertheless, I like this one more than others. Share your pictures, documents, send large videos, exchange music or transfer big files. No registration required.
